- Yes
- No
- I am OK with HC taking this on provided their is a balance between Rights and Responsibilities
- One school system . Stop religious schools. Priority. ... UBI is a good idea, but we can't spread our efforts thin. Concentrate on abolishing religious schools first.
- Without taking a position, Humanist Canada can encourage dialogue and education on this subject.
- I don't know enough to make an informed decision.
- As a brand new member, I do not know what is involved in such action initiatives.
- Provide information on the progress of the Basic Income to members, but avoid becoming partisan.
- I think if it is something that has evidence for improving a country's economy
- Educate users on both sides of the argument.
- Don't know.
- don't know
- Possibly - again, until I have basic information about what this program would put in place, I don't know how deeply it is inline with humanist values.
- At the moment there are so many unanswered questions, particularly about national debt.
- I wasn't aware we took on social action. If so, yes.
- Humanist Canada should take on the role of ensuring that all the information both for and against UBI is made available to allow Canadian to make an informed decision. This should not ...
- Yes in time but due to AI and robotics not the current issue
- I do not know enough about it
- I would like to know more about type of social action - could it be effective?
- My real answer here is undecided.
- not enough info to answer
- Not sure.
- I need to learn much more in order to hold a responsible & informed position.
- nOT SURE HOW TO ANSWER AS I DON'T KNOW MUCH ABOUT IT AND WHAT IT MEANS

Thank You!
